

The 7th MEI³ Center International Symposium

Synergistic Integration of Regenerative Medicine and Devise

Place ▶ **Osaka University Suita Campus**
Icho Kaikan 3F Hall

Sponsorship :
Global Center for Medical Engineering and informatics,
Osaka University

13:30-13:40 **Opening Remarks**
Prof. Masahiro Kino-oka
(Dept. Biotechnology, Osaka Univ.)

2016
Aug. 2
13:30~17:30

[Entry Fee]
Symposium : Free
Social Gathering : 500Yen

Chair : Prof. Masahiro Kino-oka (Dept. Biotechnology, Osaka Univ.)

13:40-14:30 **Clinical Challenges in Regenerative Medicine; Now and in Future**
Assoc. Prof. Sachiko Ezoe
(Dept. Medical Innovation and Translational Research, Osaka Univ.)

14:30-15:20 **Chondrocyte Cell Sheets for Regenerative Medicine and the Potential Use of an Automated Cell Processing System**
Assoc. Prof. Kwanchanok Viravaidya
(Dept. Chemical Engineering, King Mongkut's Univ. of Technology Thonburi, Thailand)

15:20-15:40 Coffee Break

Chair : Prof. Shigeo Wada (Dept. Mechanical Science & Bioengineering, Osaka Univ.)

15:40-16:30 **Bio-Functional Surface and Materials for Regenerative Engineering**
Assoc. Prof. Heungsoo Shin
(Dept. Bioengineering, Hanyang Univ., Korea)

16:30-17:20 **Additive Manufacturing for Orthopaedic Implants and Computer-Assisted Surgery**
Assoc. Prof. Takashi Sakai
(Dept. Orthopaedic Surgery, Osaka Univ.)

17:20-17:30 **Closing Remarks**
Prof. Shigeo Wada
(Dept. Mechanical Science & Bioengineering, Osaka Univ.)

18:00- **Social Gathering**
